Dear Bill:

Receipt of your letters, File No. 1446, dated January 10, 1958, and File No. 1485, dated January 17, 1958, is acknowledged.

As I discussed with Art on the phone recently, we plan very shortly to completely revise Equipment Lists AA and BB, and thus eliminate the duplications and errors. At such time as this revision is complete, we will be in a position to advise you of the correct numbers and descriptions. Meanwhile, we appreciate your bringing these errors to our attention.

We are also in receipt of your letter, File No. 1504, dated January 20, 1958, and wish to advise you that we are presently conducting a study of the repair situation with the hopes of speeding the return of these items. As soon as we have completed the study, we will advise you of our plans in this direction.

Sincerely,

25X1A
